Sir,

Sub: Establishment - Temporary - Bellary Division -
Foresters for demarcation and survey
of Sandur forests - Continuance.

M. S. G. R. Ref: G.O. Ms. No. 5968, Development, dated 1.12.1951.

In the G.O. cited sanction was accorded to the employment for a period of six months from the date of appointment of twelve foresters in Bellary Division for work connected with the survey and demarcation of the forests in the merged areas of Banganapalle and Sandur. Six foresters were employed in Banganapalle Range and six in Sandur Range. The Foresters joined duty on different dates from 19.10.1952.

2. The work in Banganapalle Range is almost complete and the Temporary foresters will be discharged on the expiry of the six months period. The work in Sandur Range is not yet complete, and the services of 4 Foresters are required for a further period of two months. I, therefore, request that sanction may be accorded for the continuance of 4 posts of Foresters for Sandur Range for a further period of two months from the date of expiry of present sanction.

Ref. Ind. 7

3. With reference to G.O. No. Ms. 799, Finance, dated 15.10.1947 instructions have been issued to all Officers that proposals for renewal of sanction of temporary staff should reach the Chief Conservator two months in advance. But the District Forest Officer's proposals in the present case were not received in this Office until after the date of expiry of sanction and he has been called upon to explain the delay. As the work in Sandur Range has to be completed without interruption the temporary staff is being continued in anticipation of sanction of Government and I request that this may be approved.
